

If your company is starting its journey into cloud communications, we can help with that too. Alchemy now partners with specialist provider Freshworks to offer businesses the ability to launch a virtual contact centre 'from scratch' for zero capital expenditure. You simply bring your own devices and pay only for the users and services that you need on a monthly basis. What's more Freshworks offer full support 24/7.

Freshworks offers nine products, which meet all business needs.

- Freshworks Omnichannel
- Freshworks Support Desk
- Freshworks Contact centre
- Freshchat
- Freshworks Company Success
- Freshservice
- Freshsales
- Freshsales suite
- Freshmarketer

You can read more about these products, and their price plans, at <https://www.freshworks.com/products>.

But please reach out to Alchemy so we can best understand your needs and give you expert advice.
